

Christmas party at MCI Capital

19.12.2022

It was a really beautiful evening - MCI Capital invited to a Christmas party its friends. Among the numerous guests were: CEOs of MCI's portfolio companies, executives, partners, investors, co-investors and advisors.

From the height of 190 m above the ground in Sky Fall Warsaw they could admire a panoramic view of the capital. During the talks, we were able to sum up the passing year and share our plans for 2023.

“We will continue to invest 30M-100M Euro buyout equity in digital business, infrastructure & services. We want to support founders & management teams toward building successful European and global champions” - said Tomasz Czechowicz, CEO of MCI.
