

Fintechs and insurtechs are changing the world of finance and insurance in the era of COVID

02.09.2021

Leaders of the world of digital technologies will take part in a panel “How fintechs and insurtechs are changing financial and insurance sector (post-COVID perspective)” during the European Financial Congress (EFC) in Sopot, Poland. The panel discussion will take place on September 13 at 16:00 at the Sheraton Hotel.

Panelist (invited by the EFC organizers and Tomasz Czechowicz, founder and managing partner of MCI Capital) are:

- Magdalena Dziewguc, Country Manager Google Cloud Poland,
- Jarosław Mikos, CEO of Nets Group/Polskie Płatności,
- Michael Kent, Chairman/Founder Azimo – leading European Digital Remittance provider,
- Robert Sokolovski, CEO of Netrisk Group (the leading insurtech platform in Central and Eastern Europe),
- Arek Wylegalski, partner at FirstMinuteCapital, ex-investor in IndexVentures (investor in Revolut).

During an hour-long panel, moderated by Tomasz Czechowicz, experts will discuss the following issues:

How has Covid contributed to the digital transformation of the financial services and insurance market?

How are traditional financial and insurance institutions responding to digital competitors?

What do capital markets say about the changes?

What can we expect in the next 12 months?

The panel will end with a Q&A session.

We cordially invite you to participate in the EFC: <https://www.efcongress.com/en/>
