

MCI Capital TFI in the Chamber of Fund and Asset Managers

30.01.2025

MCI Capital TFI has become a member of the Chamber of Fund and Asset Managers (IZFiA).

“The presence of MCI Capital TFI S.A. among the members of the Chamber is proof that the investment fund sector in Poland attracts leaders with vision and experience. The addition of MCI Capital TFI S.A. strengthens our mission of integrating the sector and building investor trust,” says Małgorzata Rusewicz, President of the Management Board of the Chamber.

“Joining IZFiA is an important step for us, which enables closer cooperation with the leaders of the Polish investment sector. I believe that the experience and perspective of MCI Capital TFI, especially in alternative and technological investments, will enrich the activities of the Chamber,” comments Paweł Borys, President of the Management Board of MCI Capital TFI S.A.

MCI Capital TFI S.A. is an institution with an established position on the market, part of the MCI Capital ASI S.A. Group. listed on the Warsaw Stock Exchange since 2001. The company manages closed-end investment funds of non-public assets and is a leader in mid-market private equity funds in the new technology sector in Central and Eastern Europe. Funds managed by the company are currently investors in such well-known digital brands as Answear, eSky, IdoSell, NTFY, Morele, and Netrisk.

The Chamber of Fund and Asset Managers is a local government body of investment funds and a center for the exchange of data and information, where drafts of changes in the law and announcements from the legislator and supervisor are received.
