

MCI increases its involvement in the Baltic countries

22.09.2023

MCI increases its involvement in PHH Group, the e-commerce leader in the Baltic countries. This will take place as part of an investment round with a total value of EUR 20 million carried out jointly with the EBRD, which will allocate EUR 15 million for this purpose together with other existing shareholders. Paweł Sikorski, investment partner at MCI Capital in a comment on the transaction for ISB News.
