

MCI Management the most dynamic financial institution in Poland

19.09.2014

Today "Gazeta Finansowa" published the latest rankings of the largest and most dynamic financial institutions.

MCI Management came first in the list of 35 most dynamic financial institutions (on the basis of revenue growth in the first half of 2014 as compared with the first half of 2013). Sopockie Towarzystwo Ubezpieczeń Ergo Hestia SA and Leasing-Experts SA also made the podium.

MCI also featured in the list of 100 largest financial institutions (on the basis of revenues in the first half of 2014), where it ranked 84, next to Ipopema Securities and Bank GBS. PKO Bank Polski SA. again came top of the golden, as it has for the last few years.
