

MCI more and more popular among Warsaw investors

02.10.2013

According to a report of the portal www.animujemy.pl, the investors of MCI Management SA were responsible for the largest part of the turnover on the Warsaw Stock Exchange among companies in the sector: finance and other

The turnover of MCI shares in September 2013 was 24 491 900 PLN. This result allowed the fund to rank first place in terms of monthly turnover value among all public listed companies in the sector: finance and other. Juxtaposed against all companies listed on the main floor of the Warsaw Stock Exchange, MCI Management ranked high 52nd place out of all 456 listed companies, improving its result from August 2013 by 8 places.

The growing popularity of MCI Management SA stock is also reflected in its share price. As on 2 October 2013, the shares of the fund grew by over 120% compared to last year, by 50% in the last six months and by over 25% in the last three months. The market cap of MCI Management is 629.7 million PLN.

Animujemy.pl is a platform monitoring the liquidity of all companies listed on the Primary Market and the New Connect market of the Warsaw Stock Exchange. Its liquidity ranking according to monthly turnover is prepared based on the total turnover of full trading days in the month. The guiding principle is the higher the turnover, the higher the ranking.
