

New CEO of Nice To Fit You: “I want to build a food champion”

15.09.2026

“I’m not moving from a global company to a Polish one just to maintain growth at its current level. My ambition is to build a Polish champion in the food sector, going far beyond diet catering. I would like to achieve growth that is significantly higher than it is today and substantially higher than the industry average,” says Bartosz Sala, CEO of Nice To Fit You, a portfolio company of MCI Capital, in Puls Biznesu.
