

Tomasz Czechowicz and Maciej Kowalski about digital transformation in Hello Cloud! by Google

21.01.2022

In the newest episode of #HelloCloud! by Google Cloud Poland Sp. z o.o. Tomasz Czechowicz and Maciej Kowalski, partners of MCI Capital talk about digital unicorns and the role of investment funds in supporting them. Watch their forecast for the next 10 years and find out where Polish entrepreneurs have the best chance of achieving success in a digital world.

Hello Cloud! is an innovative series of interviews with inspiring interlocutors. Every two weeks a new episode is published in which Magda Dziejguc, Territory Manager Central Europe at Google Cloud, talks with leaders about digital transformation, innovation and market trends in Poland.
