

World Economic Forum in Davos is starting on Monday, January 21st. MCI will be there

17.01.2019

For the very first time, Poland has an official Pavilion. As MCI, we are happy to arrange at this venue a discussion around digital investments.

Tomasz Czechowicz will be moderating a panel on Tuesday, **January 22nd**, **starting from 3.00 pm.**

The Polish House Pavilion is open to public, so please just stop by it **@Promenade 58.**

Subject of the discussion: Quo Vadis Digital Europe?

- Fight for global leadership in digital space - where is Europe vs USA and China?
- How good is Europe in developing Global Digital Champions?
- European Digital VC/PE landscape - is it competitive? How to support it?
- Dynamics of Digital Innovation and development in Europe: UK, Nordics, Germany, France, CEE, Israel.
