

Quo Vadis 2.0 & MCI/PEM 2020 Financial Results

09.06.2021

The past Covid year of 2020, was a difficult test for all of us, but like every challenging time, at the end it contributed to overcoming barriers and developing new areas of activity.

Today, next to our annual financial report for 2020, we would like to share with you MCI's QuoVadis 2.0 presentation - how the Covid period contributed to acceleration of digital transformation processes, which can be summed up in simply one sentence: 7 years of digital transformation in one year. We hope it will be an interesting read!
